

Iron Work Farm in Acton, Inc. Annual Appeal

Faulkner Homestead

Threads of Acton

Egg Hunt

Jones Tavern, Patriots Day

Dear Members and Friends,

For over forty years, the Iron Work Farm in Acton has been a pioneer in preserving Acton's past through our historic house museums--the 1707 Faulkner House and 1732 Jones Tavern--our publications, locally themed exhibits, historical research, and events.

You have helped us fulfill our mission of cherishing Acton's rich history. Our future is only as strong as our support from people like you. Please help sustain our community-based organization with your generous donation or by joining or renewing your membership, and help history stay alive in our children's future.

Gratefully,

The IWF Board of Directors
